

**Longridge Vets**  
**AHC/EHC for Taking Pets into Europe**

We strongly advise that you review the current rules for taking your pet into Europe on the Gov website. The below is our interpretation.

It is the animal owner's responsibility to ensure that the correct documentation is presented at border controls. We cannot be held liable for any difficulties as a result of an error regarding the information we were given.

You must bring this completed form with the supporting evidence to your AHC/EHC vet appointment.

*Please complete clearly in block capital letters that are clearly legible. Please complete details carefully as any errors will be reflected on the certificate and may result in difficulties crossing borders.*
